*Footprints
in the sand*

*One night a man had a dream
He walked along a beach, the Lord at his side.
Across the sky flashed scenes from his life ...*

*... He saw two sets of footprints in the sand,
his own and those of the Lord.*

*But looking back he noticed at times along
the path, there was only one set of footprints.
This was often at difficult times of his life ...*

*... He asked, "My Lord, you said that if I
follow you, you would walk with me all the way.
But in times of trouble there is only one set
of footprints. Why have you left me when
I needed you the most?" ...*

*... The Lord answered, "My precious child,
I love you and I would never leave you.
During your times of trial,
when you see only one set of footprints,
that's when I was carrying you."*
